

New Siftings issue 6  
May 2021

## Welcome to issue 6 – and summer.....

Once again we open with our best wishes to you all, hoping you and your families have stayed safe and well and that you are looking forward to summer.

The big story in this issue is our first fieldwork since 2019 and that is the subject of Mike's update.

In this issue you'll find

**An update from Mike**

**Upcoming outdoor activity**

**News from Leicestershire, Rugby and elsewhere**

**Contact details and links**

If you'd like to share any news, activities or thoughts with the group then please send them, and ideas for future items, plus any issues with links or typos to [Hilary Calow calow888@gmail.com](mailto:calow888@gmail.com)

## An update from Mike

### Fieldwalking - the first fieldwork since 2019!

The Group was asked to walk two large fields on the Cotesbach Educational Trust (CET) estate. This would be the last time that anyone would be able to walk them as they are being turned to grass and converted to woodland.

Having solicited for volunteers and restricted by the 'Rule of six' it has taken us nearly a month to complete. We had previously walked one of the fields and while there was no evidence of previous occupation there were quite a few sherds to collect which represented 'field scatter'. All finds will go into the CET archive and we will start the process of analysing them and give more information in the next newsletter.

Thanks go to the following volunteers: Sue Beckett, Neil Bevan, Olly Boyett and Georgina, Carol Cambers, Ralph Coleman, Judith Day, Steph Horak, James Holt, Nic Stubbs, Andy Stubbs.

Here's a mosaic the Cotesbach Educational Trust (CET) have started to make from some of the finds - isn't it great?

### **Metal Detecting**

Steph Horak and Neil Bevan ran a sweep over what was deemed to be a footpath running diagonally through one of the fields. They followed this up with some detecting in the wood bordering the field. This revealed a cobbled driveway leading from the original estate farm and continuing along the 'footpath' to the main road.

A George III drawer handle and a buckle were found along with 3 Winchester .243 cartridge cases and copper bullets.

A couple of us have also walked two fields with the Oadby Wigston group along the A5. These fields were filled with straw from Elephant grass and very little was found, but the close proximity to Watling Street suggested there may have been some merit in walking them.

## Upcoming activity outdoors

Much depends on the Covid situation. We will be doing more metal detecting at Cotesbach. Elsewhere, we have several test pits to complete but whether householders will be comfortable with us using their facilities etc., remains to be seen.

There may also be an opportunity for a small excavation later in the year. In the meantime.....

### Blaby Icehouse Dig – now 29 June to 4 July!

Work has been completed on the Icehouse under COVID constraints. The intention now is to focus on locating the deserted medieval village of Blaby and to have three two-day sessions where volunteers can take part. Dates are 29/30 June, 1st/2nd July and 3rd/4th July.

If you are interested, please contact Gemma Tallis ([gemma.tallis@blaby.gov.uk](mailto:gemma.tallis@blaby.gov.uk))

## Lutterworth Museum – reopening May 18th

The museum will be open from 10am to 4pm with new displays. Free entry and free parking so do visit. If you've got an item of interest relevant to Lutterworth history, then the museum would like to hear from you.

Although building work has continued at a pace, we have no fixed date for when the new museum is likely to open.

The Fieldworkers are in the process of changing their site and updating their information.

## News from Rugby

[Rugby Archaeology Society](http://www.rugbyarchaeology.org.uk/) <http://www.rugbyarchaeology.org.uk/>

The monthly zoom talks will finish after the June AGM, restarting in the autumn. The last speaker for 2020/21, in June, is me, Hilary Calow, on the archaeology of Compton Verney where I work as a visitor experience assistant and I'm also the archaeology volunteer.

All Lutterworth members are welcome to participate. Please contact [Irene Glendinning](mailto:irene.glendinning@coventry.ac.uk) for details and the zoom link. Her email address is [csx128@coventry.ac.uk](mailto:csx128@coventry.ac.uk)

### Rugby Museum – reopening May 19th

Do take advantage of the re-opening to go and see the small display of finds from Shawell on exhibition in Rugby. The display runs until November 2021.
